FAIR Project Funding

The FAIR Approach to Better Water Quality is a pilot project funded in part by the United States Environmental Protection Agency (EPA), Region 7, Water Quality Cooperative Agreement No. CP98752701 to Stacie Johnson. This project also received funding from the Iowa Department of Natural Resources (IDNR), Land Quality Bureau, Solid Waste Alternatives Program (Contract No. 05-G550-20). Any opinions, findings, conclusions, or recommendations expressed herein are of the author(s) and do not necessarily reflect the views of the EPA or IDNR.
